

GREETINGS FROM SOCIETY OF PUBLIC HEALTH EDUCATION RESEARCH AND EMPOWERMENT (SPHERE)

Sphere is the group of public health nurses, community health nurses, health visitors and Auxiliary nurse midwives working in public health nursing with a force on strengthening practice, research, and education in this specialized area of professional work in order to increase access to public health services across the lifespan for families, individual and communities throughout the world.

ABOUT CONFERENCE

Comprehensive Primary Health Care refers to a health plan that provides broad coverage of a wide range of healthcare services. Thus conference will focus on expanded range of services like care in pregnancy and child birth, neonatal and infant healthcare services, childhood and adolescent health care services, family planning, contraceptives services and other reproductive healthcare services, management of communicable diseases and non-communicable diseases, including national health programmes, etc.

ABOUT UNIVERSITY COLLEGE OF NURSING

University College of Nursing (UCON) Faridkot is a constituent college of Baba Farid University of Health Sciences, Faridkot. It was established in the year 1992. In 2001, it was upgraded to College of Nursing. UCON is a leader in research and innovations. Its main focus is on activities beyond academics, organizing various extracurricular events.

OBJECTIVES OF CONFERENCE

- ▶ To provide overview of Comprehensive Primary Health Care services on various health related aspects.
- ▶ To explore the current approaches and strategies for child, adolescent and Women Health care.
- ▶ To provide information in handling communicable and non-communicable diseases.
- ▶ To discuss the evidence based interventions to strengthen health system and improve access to health services in India.
- ▶ To impart information on basic health care, i.e. Geriatrics, Eye, ENT, Oral and Mental Health.
- ▶ To discuss on the life course approach and reorient professional education to address medical emergency services.
